Welcome to the 2025 Buyers Guide!

We hope this edition of the *Pennsylvania Vegetable Growers News* will be a valuable source of information. This edition contains vendors of equipment, supplies, and services who deal with Pennsylvania growers.

Are you a Pennsylvania vegetable, potato, or berry grower and not a current PVGA member? If not, we invite you to join!

Founded in 1926, PVGA has been serving growers for the past 99 years. Members strengthen our position as the official voice of the vegetable, potato, and berry industries.

We have several membership categories available. All members receive a subscription to the *Pennsylvania Grower News* (six issues per year), email updates (sent when we have important information to share), and a discounted registration to the Mid-Atlantic Fruit & Vegetable Convention. PVGA members are also able to receive a free subscription to the *American Vegetable Grower* and the *Vegetable Growers News*.

Feel free to reach out to us at 717-973-5915 or pvga@pvga.org.

Pennsylvania Vegetable Growers News is the official publication of the
Pennsylvania Vegetable Growers Association
908 N 2nd St, Harrisburg, PA 17102
717-973-5915 | pvga@pvga.org | www.pvga.org

Our Mission

PVGA serves Pennsylvania's vegetable, potato, and berry growers through education, research, advocacy, and promotion.

Our Vision

PVGA is the driving force in ensuring the future viability of the vegetable, potato, and berry industries in Pennsylvania.

Morrissey Insurance is proud to represent an industry as hardworking and dedicated as our farmers! We are pleased that our customers choose to work with us! Customer satisfaction is our number one goal.

Here's what one of our valued customers has to say when asked:

"Why do you choose to work with Morrissey Insurance?"

"Morrissey is a family owned and operated business that understands the needs of our family farm and retail business. Their staff is very knowledgeable and helpful and can provide us with the various types of insurance our farm and retail business needs to keep us "safe" doing business in the Lehigh Valley. We have been with Morrissey for many years and are very happy with the service they provide."

AUTUMN PEARL

95 Day Pumpkin

Pie pumpkins are a favorite everywhere! Autumn Pearl makes its introduction into the pie pumpkin-class with an all around eye catching appearance: sturdy handle, distinct ribbing and dark orange color. One to try for 140-150 count bins. Recommended spacing is 15 to 18 square feet per plant. 3-6 lbs. IR: Sf

CRACKERJACK

80-82 Day Triploid Seedless Watermelon

Consistent yields over wide range of growing conditions. Very uniform fruit shape, firm flesh and deep red interior. Time and time again customers rate this our best tasting watermelon. 13-17 lbs. IR: Co:1, Fon:1

BRENNAN

78 Day Green Fresh Market Cabbage

Brennan is widely adapted with excellent quality for boxing. It has a short core and a dense interior. A strong root system keeps Brennan looking fancy and uniform when crowded or stressed by too much water, compared to Bronco with improved Black Rot resistance. 3.5-5 lbs. HR: Foc / IB: Xc

XANADU

75 Day Bicolor Sh2 Sweet Corn

Fantastic eating quality. A crisp bite into high sugars! This also has excellent seed quality and vigor from the sh2i gene. Large ears on a plant with a good disease package. HR: Ps (Rp1GFJ) / IR: Et
